Wanted: Children with Diabetes

Jan Norman, 19C Camp Leo Chair

Can the Lions of 19C find 20 new campers to attend Camp Leo in 2010? If you can, Camp Leo will reach their camper goal for 2010 – 110 campers between the ages of 8 and 13. Look in your communities to find these children so they don't miss a life changing experience. You can find them through your contact with the schools while distributing dictionaries, providing eye screen, promoting the Peace Poster contest or any other support you give to the elementary and middle schools.

To help you Camp Leo staff has designed a promotional flyer. Give Jan Norman a call (360) 459-5123 or email jannorman@aol.com and she will send you all the flyers you need. Thanks for your help to find these children!

Tragedy in El Salvador

DG Dave Pratt recently received an email from International Director Luis Domínguez requesting help for El Salvador. As you may have recently seen in the news, there was a terrible catastrophe in El Salvador. More than 160 people have died and almost 13,000 people have lost their homes, which is tremendous for a small country like El Salvador.

LCIF has given an Emergency Grant of \$10,000, but there are many needs and that's why Lions in the U.S. have been asked for assistance. There are two ways of doing this, one by simply making a bank transfer or sending a check to LCIF, saying that they are designated funds for "El Salvador 2009"; also and even easier for smaller amounts, is to make an online donation, it's very easy, just go to:

http://lionsclubs.org/donations/lions_lcif_online_donation-disaster.php. To designate donation, remember to put in the name of the disaster, "El Salvador 2009". Please consider this request; any amount will be greatly appreciated. Thank you.

Environment News

Judy Ann Bergvall, 19C Environment Chair

Thanks to all the Lions who came out on that cold and rainy weekend to help with Project Porchlight. We had twenty-three Lions from seven different clubs who volunteered on short notice. We accomplished something worthwhile. Our participation was very much appreciated.

Environmental Photo Contest entries must be mailed by November 30 to the District C Environment Chair. A special thanks to the Lions who participated in this year's event. The photos will be judged and the winning one from our District will be sent on to MD-19 by our District Governor. More to come on environment news.
