[Project Porchlight comes to Peapack Gladstone](#)

📅 June 12th, 2010 | 👤 Author: [admin](#)

The **Peapack Gladstone Green Team** needs a few more good folks to help out for about 3 hours on June 19th to help with Project Porchlight. **Please call Peter Engelmann if you are available at 908-507-8141.** We are going to meet at Scout Cabin at Liberty Park, **9:45 to 1pm—June 19th—you can volunteer**

Volunteers will receive tee shirts , refreshments and a pizza lunch. We are going to split up into small groups and deliver Energy Star Compact Fluorescent light bulbs –door to door throughout Peapack Gladstone. Each group should have to hand out approx. 35 – 55 bulbs. It will be easy, we need your help so call us.
